LAST MONTH, as you all know, we announced our first 'special'—the T. Rex Special . . . this followed a two-page pic feature in Disco 45 and, by the way, is still in the shops NOW so if you haven't already grabbed your copy get down there fast before they all go. It's full of groovy pics of Marc and Mickey, horoscopes, the words of their hit songs and . . . well it's all there and, the most important thing is that it's ONLY 5p . . .

ANYWAY, after announcing the T. Rex job last month our friendly postie has been staggering up the cobbles with thousands of letters from David Cassidy fans! They all say the same thing . . . "Now that you've whetted our appetite with a couple of pages you'd better be planning a Dave special . . .". Well it's a good job that we have been planning to do just that, as I certainly wouldn't like to be sitting in this seat if we ignored all

those letters!! So  
**DAVID CASSIDY IN LONDON**

ONLY 5p

So all you guys and gals who were just about to write—DON'T! Instead, fill in the special coupon on page 13 of this issue and rush it 'round to your newagent!

Here's what you'll be getting . . .

As you know, Dave was over in this country between February 5 and 10 . . . he arrived at London Airport at 6.40pm on the Saturday and for the whole five days our photographer was with him, and on his last day we managed to get together with Dave for a two-hour chat in his hotel . . . so you'll be getting lots and lots of really fabulour pics of Dave taken for the first time in London—in his hotel and even in the rain! Plus, of course, our exclusive interview . . . Dave as he really is—talking about England, his hopes and fears, his funny and sad memories—letting YOU in on what he's really like

**16 PAGES OF WORDS AND PICS—ONLY 5p**

This is a once in a lifetime chance so don't miss it—make sure you place an order now and tell all your friends to do the same, otherwise they'll be after yours!
