

Sometimes, a very important story just "happens". That is how this very special story happened. Carol Deck, FLIP's girl in Hollywood, was spending one of her many days on the set with David and the rest of "The Patridge

DAVID CASSIDY: "THE DAY I FOUND OUT MY PARENTS WERE DIVORCED!"

continued

Family" when David volunteered this very personal and moving story. It follows as David related it into Carol's tape recorder. It is a story which we believe will help you to better understand and love David.
