LAST MONTH, as you all know, we announced our first 'special'—the T. Rex Special . . . this followed a two-page pic feature in Disco 45 and, by the way, is still in the shops NOW so if you haven't already grabbed your copy get down there fast before they all go. It's full of groovy pics of Marc and Mickey, horoscopes, the words of their hit songs and . . . well it's all there and, the most important thing is that it's ONLY 5p . . .

ANYWAY, after announcing the T. Rex job last month our friendly postie has been staggering up the cobbles with thousands of letters from David Cassidy fans! They all say the same thing . . . "Now that you've whetted our appetite with a couple of pages you'd better be planning a Dave special . . ." Well it's a good job that we have been planning to do just that, as I certainly wouldn't like to be sitting in this seat if we ignored all those letters!! So

## Could It Be Forever

Recorded by DAVID CASSIDY on Bell

Could it be forever or is my mind just a  
ramblin' on  
Oh I touched you once and I kissed you once  
And now I feel like you're mine

### Chorus (1)

Well I feel like you're mine and I see in your  
face  
I'm not a wrong to have these feelin's  
Well I feel like you're mine I've never known  
a time before that's had so many meanings

Could it be forever or am I just a wasting time  
Well I don't think so 'cos you let me know  
You make me feel like you're mine

### Chorus (2)

Well I feel like you're mine and I can't  
remember when the feelin's have been stronger  
And all I know is I can't let go  
I wanna be with you, I wanna be with you  
Just a little while longer

All my feelin's come together all of me is here  
Never know when I felt better 'cos I know this  
won't disappear but

Could it be forever or is my mind just a  
ramblin' on  
Maybe it is and if it is then I'm movin' on

### Repeat Chorus (1)

## Runnin' Away

Recorded by SLV & THE FAMILY STONE on CBS

Running away to get away ha ha ha ha  
You're wearing out your shoes  
Look at you fooling you  
Make blues of night and day  
Hee hee hee hee you're stretching out your dues  
Look at you fooling you

Shorter cut is quicker but ha ha ha ha  
Time is here to stay  
Look at you fooling you  
The deeper in debt the harder you bet  
Hee hee hee hee need more room to play  
Look at you fooling you

Another day you're farther away ha ha ha ha  
A longer trip back home

Words and Music by Sylvester Stewart

## Beautiful Sunday

Recorded by DANIEL BOONE on Penny Farthing

Sunday morning up with the lark  
I think I'll take a walk in the park  
Hey hey hey it's a beautiful day  
I've got someone waiting for me  
And when I see her I know that she'll say  
Hey hey hey it's a beautiful day

### Chorus

Hi hi hi beautiful Sunday  
This is my my my beautiful day  
When you say say say, say that you love me  
Oh my my my it's a beautiful day

Birds are singing and you're by my side  
Let's take the car and go for a ride  
Hey hey hey it's a beautiful day  
We'll drive on and follow the sun  
Making Sunday go on and on  
Hey hey hey it's a beautiful day

### Chorus Repeat Twice and Fade

Words and Music by Daniel Boone and Rod McQueen  
Published by Starline McQueen Music

## I Am What I Am

Recorded by GREYHOUND on Trojan

### Chorus

I am what I am yes I'm one of the people  
I scheme and I dream and I try  
I am what I am yes I'm one of the people  
I'm happy to live 'till I die  
I'm happy to live 'till I die

I can look at the world with the most under-  
standing

From my tenement flat on the second landing  
It's been raining today but I really don't care  
I've got sun in my heart and a daydream to share  
Yes I have

### Chorus Repeat

I believe in the end when the roll call's taken  
We'll be laughing together without hesitation  
I've been known by some to be a dreamer of sorts  
But I'll follow the road and I'm happy of course  
Yes I am

### Chorus Repeat

I've been happy I've been sad  
Sometimes good sometimes bad, but

### Chorus Repeat Ad Lib and Fade
