

What is **SUPERSTAR '72** all about?

FOR A START **THE PARTRIDGE FAMILY**

The official Partridge Family Magazine will, of course, continue to appear every month in Superstar '72. The Partridge Family will keep their own special pages full of pix and information direct from Hollywood, with the regular Fan Club newsletter — not to mention full coverage of David's coming visit to Britain! Superstar '72 will still have more on The Partridge Family than any other British publication!

PLUS regular pages for your other favourite superstars (which is why we've called it "Superstar '72"!)

PETE DUEL & BEN MURPHY — and the new "Alias Smith & Jones" co-star, Roger Davis — will have their own pages too. There'll be photos you've never seen before, lots of news and information; and the British Fan Club for the stars of "Alias Smith & Jones" will keep in touch with you through the Fan Club newsletter in Superstar '72 every month.

SUPERSTAR '72 will cover the home scene too, with features on lots of the world-beating stars we've got in Britain. For instance . . .

T. REX (and specially **MARC BOLAN**) will be there every month. As you know, last month T. Rex were voted Number 1 in a poll run by a top music paper, and Superstar '72 means to give you loads of photos and news of the top super-groups.

SLADE will be another of our "regulars" . . . They've certainly got an enormous following, and their British Fan Club newsletter will reach you every month exclusively through the pages of Superstar '72!

No other monthly publication will give you as much on these artists as Superstar '72. There'll be lots more as well — extra features on your other big superstars, a special series on how to play the stars' music for yourself, competitions, interviews, full news coverage of the whole superstar scene, and pix . . . pix . . . and more pix!!

DON'T MISS SUPERSTAR '72 ON SALE WEDNESDAY 1st MARCH and if you know anybody who's still in the dark about it — take pity on them . . . tell them about it.

Still only 15p
