tomorrow is a repeat performance

It's easy to listen tomorrow to your favourite music of today with JVC Niviso's B420 portable radio/cassette recorder. Model B420S features MW and 3 shortwave radio bands, while Model B420W has MW, FM and 2 shortwave bands. Both have telescopic, ferrite core antennas, big 5 inch speakers and 1.8 watts of power.

JVC Niviso's dependable cassette recorder is built in and always ready so even though the music may be far away you can record it and listen another day.
