Hi there!

It's an extra-special Hotline this month, because the voice that came through to me from the States last time was David's!!

But try to hold it for a moment, so I can tell you some more great news on the Cassidy scene. You can now get a super-size colour poster of David from "Superstar" — how about that! Turn to page 34 NOW to find out what you need to do to get YOUR poster. I can tell you, we're all crazy about it here at the "Superstar" offices!

Talking about David naturally leads my thoughts on to the current chart scene . . . Well, it looks as though you can't keep our very own superstars out of those charts for long. What with T. Rex right back up top with "Metal Guru" and Slade coming along with "Take Me Back 'Ome", and the "Alias Smith & Jones" disc a hot seller.

Which makes everything just great! But, then, that's what summer's all about, isn't it? . . . Having a great time!

Even if you've got things like exams lurking round the next corner, don't let them get you down too much. After all, bad things have to come to an end eventually! And I've got some really terrific news for all David Cassidy addicts . . . YOUR VERY OWN MAGAZINE!! The first issue's due out on 15th June and it'll be 100% about David (although we might just occasionally allow the other odd person in!!!)

What's it called? The DAVID CASSIDY magazine, of course! What else?

Pat
