

PARTRIDGE FAMILY FAN CLUB

58 Parker Street, London WC2B 5QB, Fan Club Secretary, Susie Miller

Hello there!

Isn't it great to know that the Partridge Family are now back on set at Columbia Ranch? They're already well into their new season, filming more wonderful shows for us to watch on the screen – at least that's the idea! When ARE WE going to be able to see them again over here, though? That's what I want to know, and you too judging by all your letters.

Of course, everybody here at "Superstar" will be doing their best to make up for this absence by bringing you lots of gorgeous action pix every month. Our photographer has been out there on the spot, snapping them for you ever since the very first day back on set. But that's not the same as seeing them live on your own TV screen is it?

Well, I guess you're feeling as uptight as I am over all this. But maybe my next piece of news will help you get your cool back. Actually, judging from the thousands of letters I've had from you begging for another David Cassidy poster, I've got an idea you're just about going to go into orbit when you hear this:

*"Superstar" have brought out an absolutely fantastic FULL COLOUR poster of David, wearing that groovy Western gear of his! It's even bigger than the last big Cassidy poster we had printed for you! This one's a real GIANT SIZE (30" x 40") version – so, if you ran a bit short of wallpaper last time you had your room decorated, here's an end to your worries, because it's a real space-filler all right. And **what** a space-filler! Wow!*

In fact, I'd say that to have this in your room would make a pretty good second-best to having David there in the flesh . . . and that sure is saying something! Turn to page 34 to find out what to do to get YOUR David Cassidy colour poster.

Does anybody still need convincing that June is going to be a great month for all David Cassidy fans? Well, just in case, I've got something else up my sleeve . . .

A David Cassidy Fan Club!!! Yes, a separate one! This won't make any difference to the Partridge Family Fan Club, of course, so you don't need to worry about that! It will just mean that you can now join a club that will be able to concentrate on giving you pix and info just on David.

Of course, it will make my job a bit more complicated – and will mean that I'll be even busier than I am now, if that's possible! So I'm going to ask a big favour of you all . . . Can you help me by making it very clear on the outside of your envelopes whether your letter is about the old Partridge Family Fan Club, or the new David Cassidy one. A good idea might be to write either "Partridge Family" or "David Cassidy" in the top left hand corner of the envelope. That way, I could see at a glance which pile to put it on before I had even opened it. Thanks, that will be great!
