All dates in this issue are correct at time of going to press.
Hi there!

Right now the main topic of conversation around the Mickie offices is the fantastic news that the Osmonds are all set to fly in and conquer our British hearts once again — not that they'll have much trouble doing that, of course! The boys will only be able to do three concerts here! (sob, sob), but knowing how professional they are we can be sure of having a really fabulous time — one to be remembered for a long, long time to come! Turn to our On The Road spot and you'll find all the details you need to know about their concerts there!

Seems that we're going to be doing a lot of running around over the next week because Slade are also set to do another mammoth tour of Britain — and that's one happening no foot stomper can afford to miss. Their triumphant tour of America is the reason for the extra wide grin on Dave Hill's face! I've got a feeling that we're going to get some very sore feet during November, so if anyone knows of a cure then *please* write in and tell us — we'll love you forever!

We've got some more super songs for you to sing along to in this issue, including our Monster Mover *In A Broken Dream*, by Python Lee Jackson. Of course we all know that Rod Stewart is the lead singer on the disc, but the record was actually recorded five years ago, believe it or not — and that was long before we became aware of the incredible talent of Mr. Stewart. Can't understand why it wasn't a hit before now! Still at least we have the chance of putting it where it belongs now — at the top!

Our Mini Poster in this issue features the beautiful Neil Diamond — I'm sure you'll find room for him on your bedroom wall! It seems that Neil goes from strength to strength in the popularity stakes. If he keeps writing songs like those he's recorded in the past, my bet is that he'll have a firm grip on our hearts for a long time to come.

On the back cover there's a gorgeous pic of our own Donny, looking as cuddly as ever. Can't believe we'll soon be seeing him in the flesh!

See you all again in two weeks' time. Happy bopping!

luv,
Trish

WE KEEP YOU UP TO DATE ON ALL THE LATEST HAPPENINGS!

Hope all those of you who live in areas covered by London Weekend Television didn't forget to tune in at 12 noon last Saturday to see the PARTRIDGE FAMILY Show — they'll be with us right through until January, so make sure you don't miss your favourite programme. . . . JACKSON FIVE and ELTON JOHN to appear before the Queen at this year's Royal Variety Performance due to take place on Monday October 30th. We'll have the chance to see the show in its entirety on BBC1 on Sunday November 5th — that's if we're not out popping fireworks of course! . . . GLADYS KNIGHT AND THE PIPS are currently touring here — worthwhile going to see them if you get the chance. . . . ELTON JOHN's new single *Crocodile Rock* due for release just about now — should be a smash hit! . . . NEW SEEKERS to sing before President Nixon while in Washington on October 29th. . . . Fabulous disco sound laid down by SHA NA NA on their *Bounce In Your Buggy* single. . . . Trouble over copyright ownership prevented us from printing the lyrics of ALICE COOPER's *Elected*. Incidentally plans are under way for a tour by Alice here soon — we'll bring you more details when we can. . . . Maxi single of DAVID BOWIE's early recordings has just been released by Pye records. . . . Love the ending to GILBERT O'SULLIVAN's *Claire*. . . . Ex-Marmalade member Pat Fairley now helping out JUNIOR CAMPBELL (also an ex-Marm) with his publishing company. . . . If you still have the sound of FANNY echoing in your ears, give a listen to their single *Young And Dumb* — should be a big hit here! . . . Over the past two years the PARTRIDGE FAMILY have sold more than 25 million records! . . . Chart-topping *Mouldy Old Dough* was actually recorded in the front room of a very humble home in Coventry, believe it or not! . . . Watch out for lovely RICK SPRINGFIELD, he could very well steal a few hearts away from David, Marc and Donny! . . . The bass player on the ANIMALS *House Of The Rising Sun* was none other than SLADE's manager Chas Chandler! . . . CAROLE KING's *It Might As Well Rain Until September* was first released in 1962 — just goes to show what a golden classic it really is. . . . GARY GLITTER was once known as Paul Raven, before he decided on a name change. . . . A fifty-one year-old school teacher proposed marriage to PETER SKELLEN after hearing his *You're A Lady* hit — he turned her down, by the way! . . . Remember that super hit *Neanderthal Man* by HOTLEGS? Well, members from that group can now be heard on 10cc's *Donna*! . . . Super news from MARC BOLAN's office tells us that he's hoping to do a Christmas tour here — mustn't miss that, by any means!! . . . Well, that's all the gossip for now, see you all again in two weeks'.

MARC BOLAN

Am I Losing You

Recorded by the

PARTRIDGE FAMILY

on their *Shopping Bag* album on the Bell label

Something's in the wind
Something I can touch
A feeling that I've got oh, no
Am I losing you? Am I losing you?
Is there something that I can't do?
Am I losing you?

Keep on telling me no
Please, not tonight
Something just ain't right oh, no
Am I losing you? Am I losing you?
Is there something that I can't do?
Am I losing you?

Those happy days we spent together
Can you forget them overnight?
This was supposed to last forever
But forever's slipping out of sight

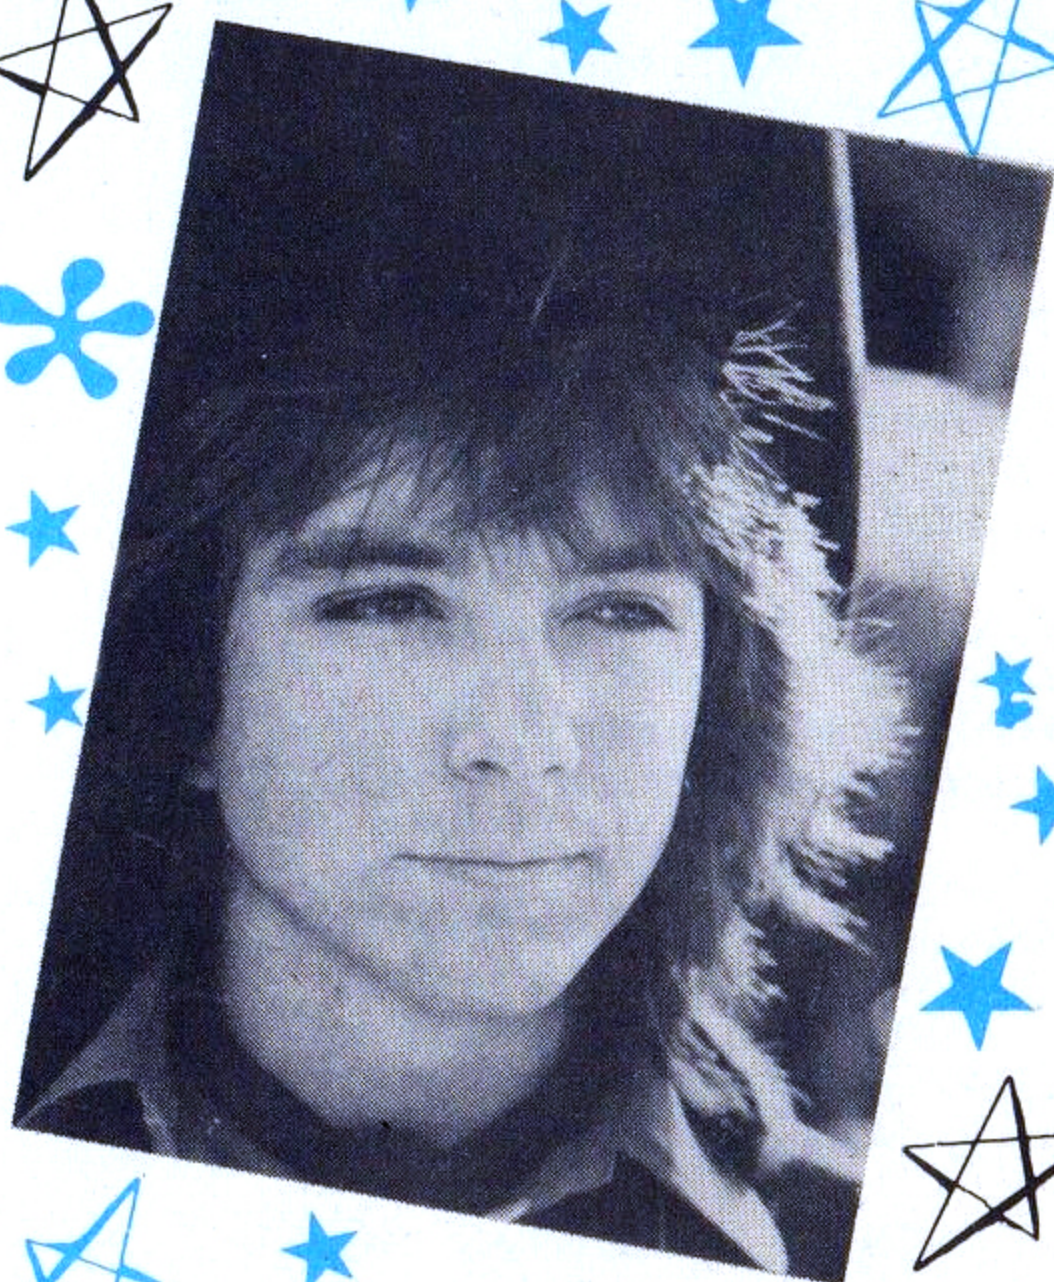

I used to get to you
'Til you'd shake inside
But you ain't satisfied oh, no
Am I losing you? Am I losing you?
Is there something that I can't do
Am I losing you?

REPEAT "AM I LOSING YOU" ETC., AND FADE.
