Hi there,

If you're a tranny-tuner and like singing along with your favourite records, then Mickie's a must for you, 'cos in every issue we'll be printing the lyrics of lots of the best tunes, old and new, right here in your magazine. Yes, *your* magazine! We want you to treat Mickie as your very own, so we can get to know you and what you like!

We'll also bring you lots of super photos of your rave artistes, the latest pop news, album reviews, film fax, plus a super mini poster for your bedroom wall. But, most important of all, we'll be printing your very own personal messages! You see — Mickie really is *your* magazine.

If you want to have a message printed, all you have to do is write your name and address and the message you want printed (please try to use not more than ten words for each message) clearly on a postcard and send it to the address above. We'll do our best to publish it in the earliest possible issue of Mickie.

Your messages can say anything: You can send kisses to your boyfriend, wish your friend a Happy Birthday, swap photos and records with other readers, arrange dates with friends (well in advance), thank Mary for the party, find some penfriends; in fact you write it and we'll print it. AND ALL FREE OF CHARGE. And if you don't want your full name or address mentioned we'll also oblige on that score. Sounds too good to be true doesn't it? So get cracking and write now — first come, first served. But please remember to keep your writing as clear as possible — and, postcards only!

We hope you get to like Mickie very soon. Tell all your friends about us — after all, the more friends we have the happier we'll be!

See you all again on the 15th of next month.

luv,
Trish

NEW SEEKERS

I Am A Clown

Recorded by **DAVID CASSIDY**

on his "Cherish" album on the Bell label.

SPOKEN:

See the funny little clown, see the puppet on a string,
Wind him up and he will sing, give him candy, he will
dance,

But be certain not to feel if his funny face is real.

Step right up and see him, folks, couldn't you die at all his
jokes,

Couldn't you cry at all his tricks he'll come up with in a fix.
But be certain not to stray, he will steal your heart away.

SUNG:

I am a clown, I am a clown,
You'll always see me smile, you'll never see me frown.
Sometimes my scenes are good, sometimes they're bad.
Not funny ha-ha, funny sad.

I am a clown, look at the clown,
Always the laughing face whenever you're around.
Always the same routine, I never change.
Not funny ho-ho, funny strange.

Sometimes I think the world is a circus town,
Sometimes I feel I belong in a side show.
That man on the flying trapeze he ain't never comin' down.
He knows what I know, if you look inside,
If I didn't hide you might decide you don't want me.

I am a clown, that's why I'm a clown,
Just like the fool on the hill, beggin' to come down;
I want to live again, oh, I want to feel.
Tell me you love me, make me real. (rep. twice).

REPEAT FIRST VERSE.
