

Some Kind Of A Summer

Recorded by DAVID CASSIDY on Bell

Chorus

Didn't we have ourselves some kind of a summer
Didn't we have ourselves some kind of a time
Guess I never took the time to tell you how much I love you
Now you and the road keeps flashin' through my mind
You and the road keeps flashin' through my mind

Caught a sunrise service on a Sunday in North Dakota
Imagine you and me singin' in a gospel choir
Spent a rainy night on a river in Oklahoma
Saw the northern lights on a Minnesota night and our
souls went a little bit higher.

Chorus Repeat

The old Desoto died on a hill it couldn't climb in
Montana
The kid who bought the wreck said "What the heck,
I'll give you thirty-five"
So we were on our own, had our thumbs to take us home
to California
By the time we made Denver with our truck drivin'
friend we had wheels on fire

Chorus Repeat

You and the road, you and the road on my mind.

Crazy

Recorded by MUD on RAK

You just got out of the school last year
And all your friends ask "Hey, what you doin' here?"
Somehow you just can't mix with kids your age
She knows what she likes
I know you're lookin' much older now
But you ain't figured out life somehow
You've got a different number on every page
She knows, she knows, she knows what she wants

Chorus

Crazy, crazy you amaze me
Crazy lady, rearrange me
Crazy baby, I'm so in love with you right now
Ah ah

You're growin' up before your time
You think everybody's sayin' ooh but you're lookin' fine
You're learnin' fast, you sure have come a long way
She knows what she likes
I know you don't think much of me
You you got plans on just what you oughta be
You got a different face for every day
She knows, she knows, what she wants

Chorus Repeat 'Til Fade

Power To All Our Friends

Recorded by CLIFF RICHARD on EMI

Chorus (1)

Power to all our friends
To the music that never ends
To the people we want to be
Baby power to you and me

There's one old man spends his life growin' flowers
And caring for the bees, power to the bees
There's one old lady spent her days makin' wine
The wine tasted fine, power to the vine

Chorus (2)

Power to the boys who played rock and roll
Who made my life so sweet
And to the girls I knew before and those I've yet to meet

Chorus Repeat (1)

There's one strong man ploughing in the valley
He's living off the land, power to the land
There's some young girl layin' down in Monte Carlo
Layin' in the sun, power to the sun

Chorus Repeat (2)

I Don't Know Why (I Just Do)

Recorded by ANDY AND DAVID WILLIAMS on NCA

Ooh, ooh ooh ooh, ooh ooh

All day long you're askin' me what I see in you
All day long I'm answering but what good does it do

I don't know why I love you like I do
I don't know why, I just do
I don't know why you thrill me like you do
I don't know why, you just do

You never seem to want my romancing
The only time you hold me is when we're dancing
I don't know why I love you like I do
I don't know why, I just do

You never seem to want my romancing
The only time you hold me is when we're dancing
I don't know why I love you like I do
I don't know why, I don't know why
I don't know why, I just do

Ooh ooh, ooh ooh, ooh
