Hi again!

We're really knocked out by the fact that so many of you have written in to say how much you like the idea of us giving away signed photos of your favourite artists as runner-up prizes in our Spot The Difference competition. We guessed you'd be pleased, because not only is it great to win a £5 LP token, but prizes like these are very hard to come by and if there's one thing we want to do, it's give you full value for money!

And I think you'll all agree that we do just that. Not only do you get the words to the latest chart-busters, but *also* the lyrics to records that you hear time and time again in discos or on the radio, that aren't always hits!

Incidentally, our runner-up prizes won't always be in the form of signed photos—we've also got super colour posters for you to win, plus LPs and singles and even some song books of David Cassidy's *Cherish* and *Rock Me Baby* albums that he's personally autographed himself! So, stick with us—there's a lot of pop action coming your way!

Now, down to the action that we've got for you right here: There's super features on Jimmy Osmond, Wings, Jimmy Helms and that great bunch of kids the Handley Family for you to get to grips with. Plus Slade and Gilbert O'Sullivan tour dates, and some super signed pics of David Bowie for you to win in our Spot The Difference competition—not forgetting, of course, those £5 LP tokens.

So now all that's left for me to say is get down and get with it and join us again on the 9th of May when we'll have lots more exciting things happening for you!

Stay happy.

Luv, *Trish*

# Together We're Better

Recorded by the

**PARTRIDGE FAMILY** on their *Partridge Family Notebook* album on the Bell label

Last night you know I couldn't sleep, wouldn't sleep  
Tossing and turning about  
Thinking about the way it's been  
Hey it's been so hard to figure out

We go on sneaking around  
Smoky places all over town  
You go home and it's all over  
Baby, you know it's getting me down

## CHORUS

'Cause we're one step short of our heaven  
And we won't stop short 'til we get there together  
Together baby we're better  
On our own we'll find that united, we're dynamite  
One step short of our heaven  
And we won't stop short 'til we get there together  
Together baby we're better  
We're better together, together we're better

You and me sneaking around  
Meeting in shadows, hiding away  
'Til we're free to stay together  
All of the time baby, all the way
