

Do you think these photos of David Cassidy are indecent? BRAVO asked. And this is the answer from our readers:

# We think THESE PHOTOS ARE GREAT

This is the title of the American magazine "Rolling Stone", whose Cassidy report triggered the furor

This is the title of issue 46, in which BRAVO put David's controversial photos up for discussion in America

We would never have thought it! Shortly after BRAVO published semi-nude photos of David Cassidy in No. 46, which caused him a lot of trouble in the USA, an avalanche of letters broke through BRAVO. Thousands of David fans were outraged. But not about the photos. No, about the reaction of the many American teens who had terminated their friendship with David because of these photos. Your reaction was unanimous: You are behind David! Like David, you have a natural attitude towards the human body. We will tell David about it.

One of the Cassidy photos that caused outrage among many US teenagers because they thought it was inappropriate
