Hi!

This is a very special issue of Superstar '73, and one we're very proud of. Not only have we increased the size of our mag to 48 pages, giving you 8 more pages of features and pix at the same price as before, but there's another reason for our pride.

With this issue, we begin a complete story of the Osmonds, from Donny's birth to the present. This is something Osmond fans have been clamouring for for a long time. We've heard so many fans accuse us of being too partial to David Cassidy that we've finally been able to give equal space to the Osmonds.

Besides the continuing story of the Osmonds, our larger mag makes it possible for us to bring you a whole page every month for the Osmond Fan Club, which will join Alias Smith & Jones, The Partridge Family, T. Rex, Slade and the New Seekers fan clubs which are already among our pages.

You can always be sure that we will be looking to the future here at Superstar. Unlike some magazines that seem to keep serving the same old tired news and pictures, we're very careful to keep up with your own likes and to see that the groups you want are covered as much as possible. So don't be afraid to post us a letter and tell us your likes and dislikes. It's the only way we can tell whether or not we are doing a good job. And that's really the only reason we're here, to serve as a vital link between the superstars and you.

Pat
