

HIT THE SCENE

WHAT'S IN HIT FOR YOU

We got a telegram from our dear friends The Osmonds recently congratulating us on HIT! Considering the boys are kept so busy these days, we really do appreciate them sitting down each week and getting their very personal column together for us, so in return we would like to congratulate and thank you very much, boys!

We have got lots of nice surprises for you inside, and we just can't wait for you to HIT THE SCENE WITH US!!!

Stay with us each week for the poppiest time you've ever had!

Much love,
Tony.
