Hi there!

Welcome to your brand new monthly Mickie! You can see, just by flicking through the pages, that we've got some really super things lined up for you in this issue, but the most important thing that everyone's getting excited about, is the fantastic competition you can enter on PAGE 13.

Ten portable stereo record players are the prizes that are waiting to be won—and what fabulous record players they are. Not only are they ideal for setting up in the privacy of your own bedroom, but they also fold into really handy carrying cases, perfect for taking to friends houses and having your own disco sessions!

There's also another chance for you to have a go at entering our Spot The Difference competition as well. It's on PAGE 14 and if you fill in the entry form for both competitions and send them off to us as soon as possible, you'll be entering two competitions in one go—so you may just be a lucky winner of a record player and a £5 LP token, which can't be bad!

There'll be more competitions for you to enter in next month's Mickie, when you'll have the chance to win a super cassette recorder!

There's no doubt about it, Mickie is certainly the best value for money. Each month you'll get ALL the hits that can be published, super competitions and fabulous prizes, plus all the latest news and gossip about your favourite artists—super photos—and a much brighter, better look at the latest happenings on the pop scene. All this for only 5p!, so with your brand new monthly Mickie you just can't go wrong!

Join us again on the 6th of July for the best pop action you can buy!

Stay sunny!

Love

## ROY WOOD WRITES FOR ELVIS

Roy Wood, who writes Wizzard's hits, flew to America recently to present Elvis Presley with three songs that Roy has written specially for the king.

Said Roy recently:  
"I've been wanting to write something for him for ages, because I feel the stuff he is recording at the moment is the wrong kind of song. He's put out some old rubbish recently, and he ought to be recording my songs instead."  
Well, if Elvis does record Roys songs, it certainly should provide some interesting results.

HERE'S A RARE SHOT OF ROY - WITHOUT MAKE-UP!

## FLYAWAY PETER!

Here's how New Seeker, Lyn Paul, received the news that Peter Doyle is shortly to leave the group, Lyn Paul's girlfriend for the past two years, took the news very badly and sobbed:  
"I'm so unhappy, because I'm not going to see Peter for months. We're not engaged yet, but maybe later . . ." As you said, Lyn, *maybe later!*

## CASSIDY OUT - DANNY IN!

We've just heard - hot from the States - that Danny Bonaduce, who plays the part of Danny in the *Partridge Family Show*, is to take over as leading male actor when David Cassidy leaves the show after filming of the next series has been completed. David, of course, wants to concentrate more on his recording career - so from then on it'll be Danny's turn to receive the limelight. He's a very fine actor and, our guess is, he'll help to keep the show as popular as it's been up to now!
