BUZZ-BUZZ

WE KEEP YOU UP TO DATE ON ALL THE LATEST HAPPENINGS!

Heard SLADE's new single the other day which is due for release around the end of June—the boys are undecided about the spelling of the title, but it'll probably be *How To Scweeze Me*—stand by charts, it's gonna be a smash! . . . Our Hot Rumours Dept tells us that DAVID CASSIDY's next album may be produced by ex-Beatle JOHN LENNON. Apparently it will include a few Beatles songs and David's next single might be *I'll Get You* which was actually written by the Beatles! . . . A much better start to the weekend now that *Top Of The Pops* has moved to Friday! . . . Great new album from BLACKFOOT SUE called *Nothing To Hide* . . . DAVID BOWIE's publicity agent, while he toured America, was a girl called . . . wait for it . . . Cherry Vanilla—and if you think she must be one of Andy Warhol's ex-attendants you'd be right! . . . Strong possibility of DAWN visiting these shores for a tour very soon—we'll keep you posted . . . Just how outrageous can JUDGE DREAD become?—we'll find out in time, no doubt! . . . Great ROLLING STONES single has just been released. It's called *Sad Day* and was recorded by the boys in 1966! . . . SWEET are doing great things in the U.S. singles charts with *Little Willy* . . . Bet those of you who have been to a FOCUS concert will agree that they're a truly brilliant band! . . . **Now for some very important news:** Mickie No. 20, which will be on sale on the 6th of June marks the beginning of a brand new Mickie! We'll have lots more hits for you to sing along to, much more pop news and views, exciting features on your favourite artistes and . . . most important of all . . . a truly fantastic competition for you to enter, where we'll be giving away ten fantastic record players and tons of bonus prizes. Yes, there's a whole heap of fun and pop action coming your way, so make a special note in your diary: June 6th. A better brighter Mickie—and a better, brighter way of pop life for you!

SEE YOU AGAIN ON JUNE 6TH!

## Walking In The Rain

Recorded by the PARTRIDGE FAMILY on the Bell label

I want her and I need her  
And someday some way  
Wo-oh-oh-oh I'll meet her  
She'll be kind of shy  
And real good-lookin' too  
I'll be certain she's my girl  
By the things she'll like to do

CHORUS

Like walking in the rain  
And wishing on a star up above  
And being so in love

When she's near me  
I'll kiss her  
And when she leaves me  
Wo-oh-oh-oh I'll miss her  
Though sometimes we might fight  
I won't really care  
I know it's gonna be all right  
'Cause we've got so much to share

REPEAT CHORUS

(Mary) no no she'll never do  
(Carol) no it isn't her too  
They would never  
No they'll never, never, ever love

## Storybook Love

Recorded by PARTRIDGE FAMILY on the flipside  
of *Walking in the Rain* on the Bell label  
CHORUS

(We've got) a storybook love and that's all and that's all  
A fantasy world where we love one another  
A storybook love and that's all and that's all  
A boy and a girl who hardly know each other

But I feel you lookin' at me  
And in your eyes it's plain to see  
One day soon we both could be  
Much more than friends but until then it's

REPEAT CHORUS

But I already know  
How much I'm gonna love you so  
I feel it inside me even though  
It hasn't happened yet, all we get is

REPEAT CHORUS

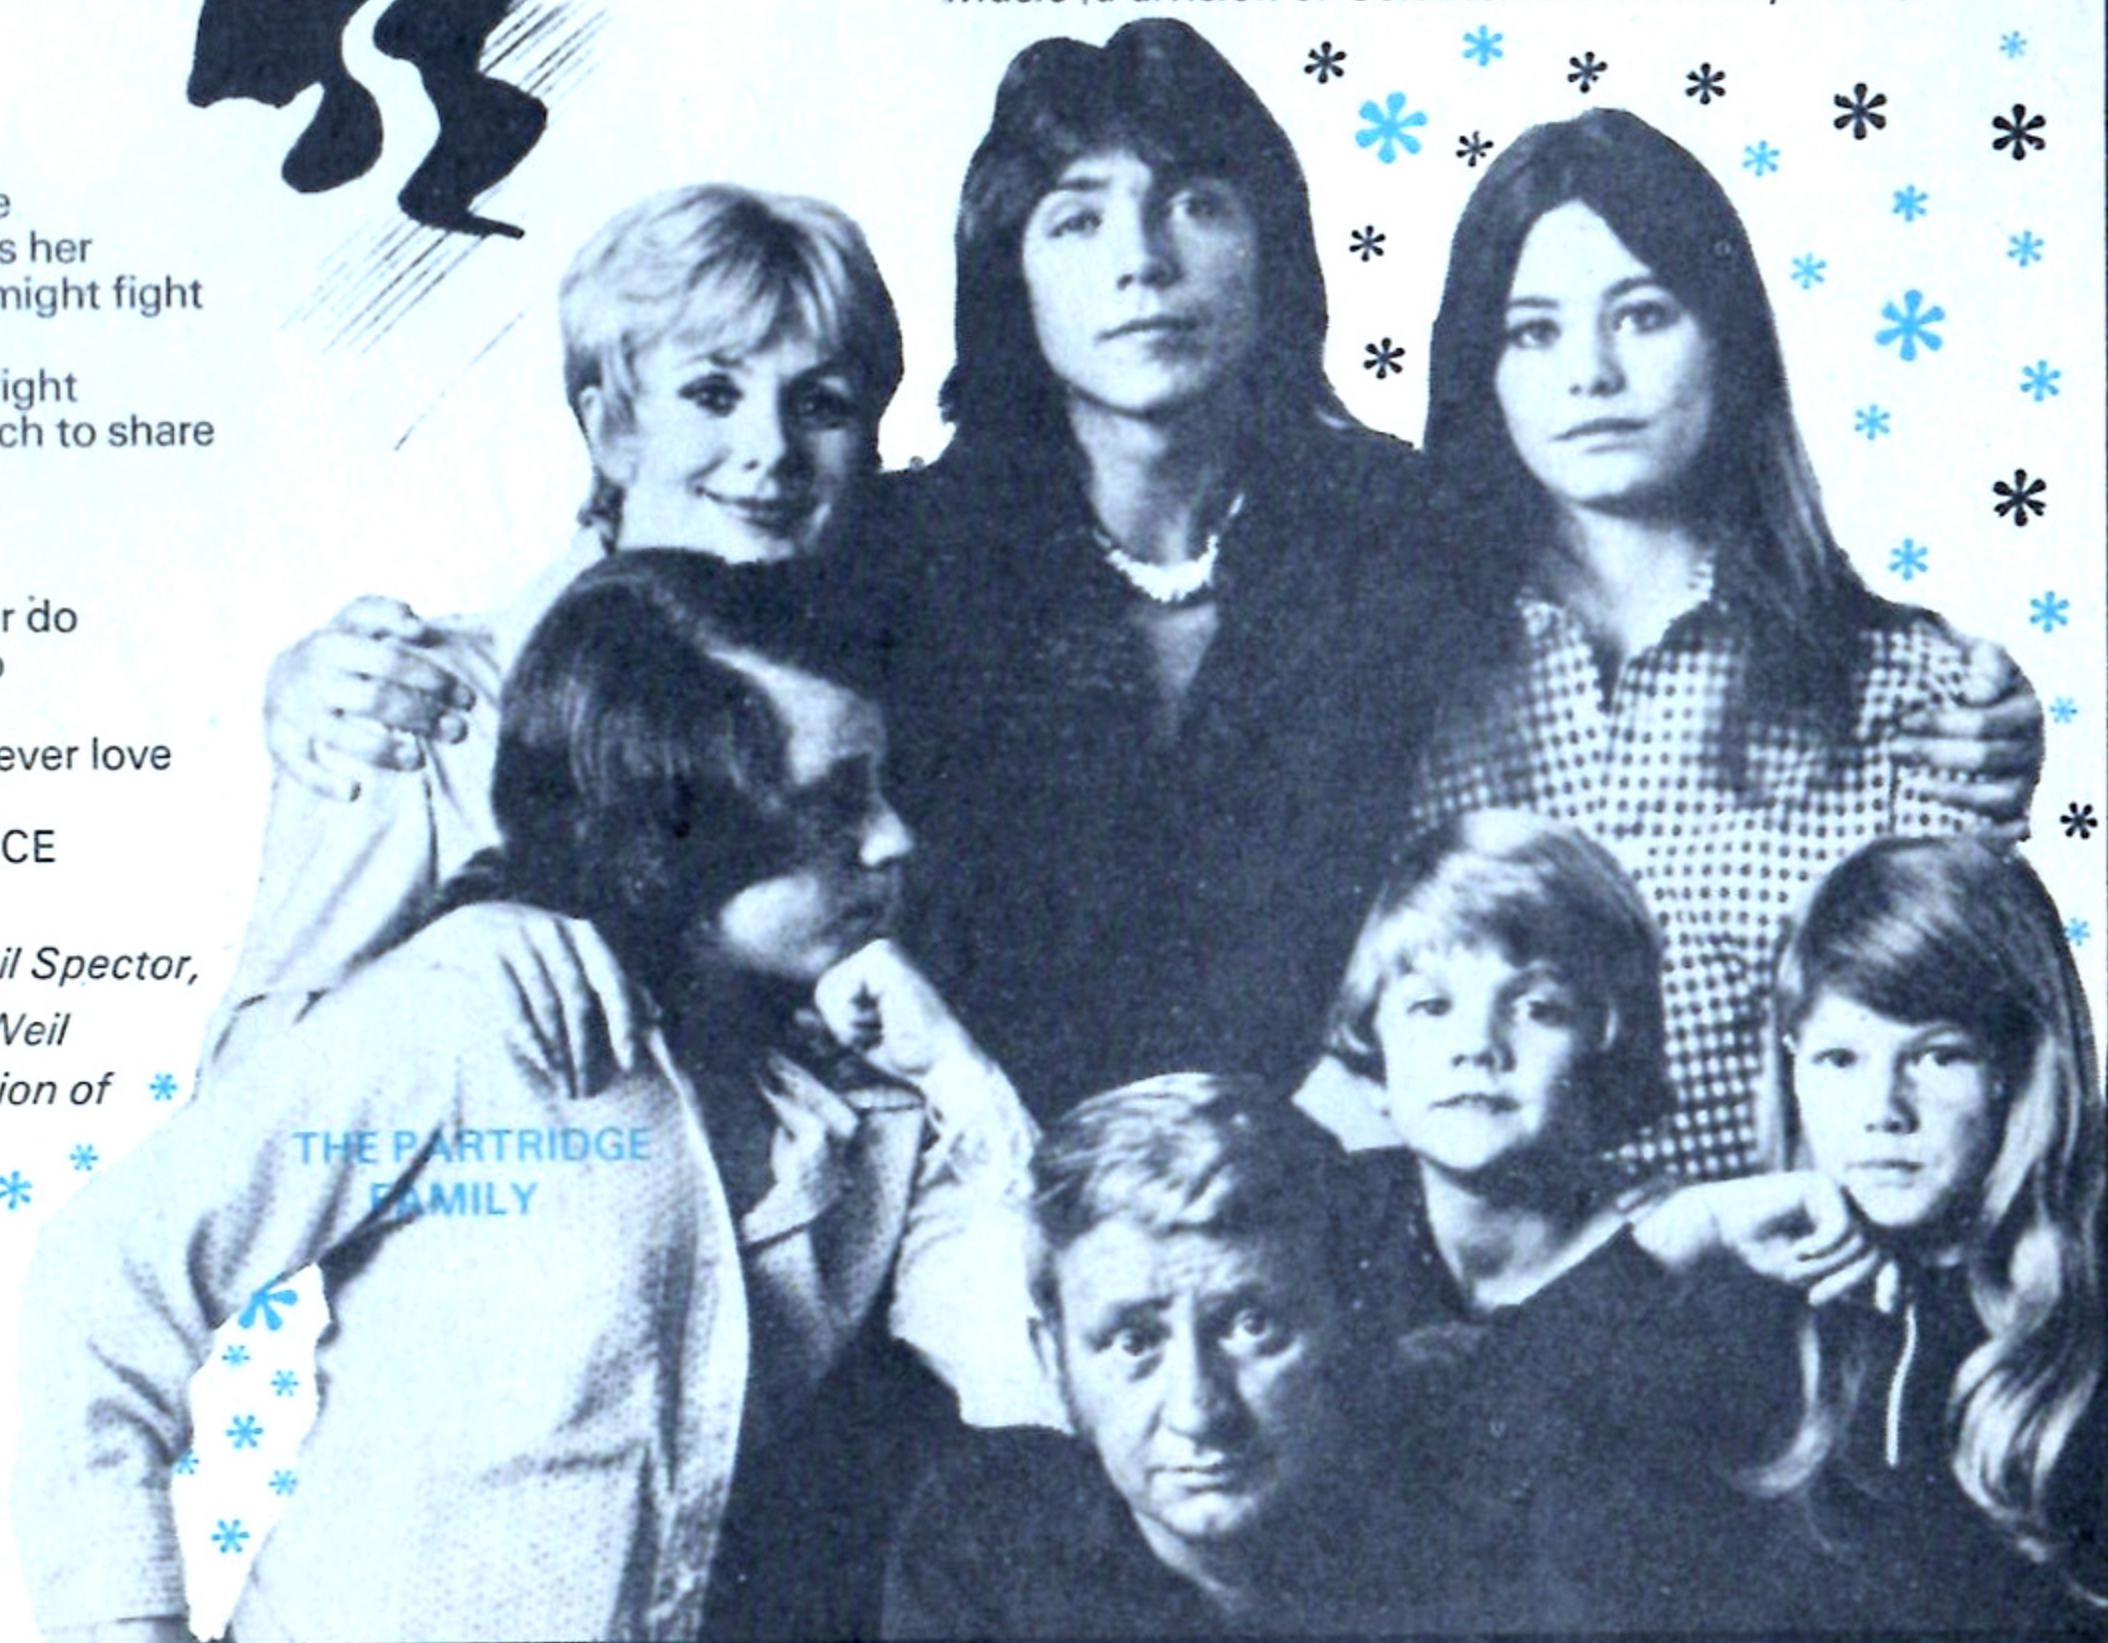

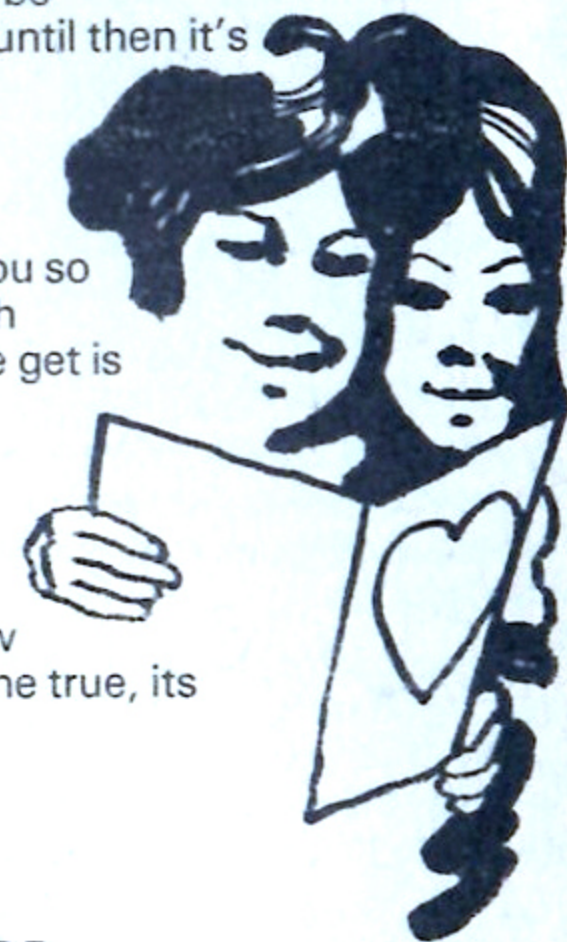

My imagination starts racin'  
When I think of you  
Well, it's a fairy tale right now  
But you could make it all come true, its
