

# WEAR HIM CLOSE TO YOUR HEART

How's your "Close-to-your Heart" collection coming on? We've got brooches pinned all over our arms and legs and all up the walls! Anyway, here are some more love-heart piccies — guard them with your life and don't let Mum get her hands on Elvis!

## ELVIS

According to you lot, Elvis is still the undisputed King — and we're not going to argue! Just wish he'd make some more films like those golden oldies, "Viva Las Vegas!" and "Follow That Dream". Every time one of his old films comes on television we all come into the office next day raving on about it!

Write to Elvis:

Leicester, Leics.

## CAT STEVENS

Definitely a man of mystery, Cat Stevens, is one of the hardest men to get hold of (and we know, we've tried!). But he does keep releasing good albums, tho' somehow his latest "Foreigner" doesn't seem to have the same impact as some earlier albums . . . Write to Cat: c/o BKM Management, 27 Curzon Street, London W1.

## DAVID ESSEX

We can't help wondering if David Essex has recovered from his visit to our office yet (or if he ever will!). Mind you, Andrea still gets a glazed look in her eye whenever she sees a picture of you-know-who (we daren't even say the name when she's around!). If you'd like to write to David you must send a s.a.e. to the address below:  
David Essex Fan Club,  
PO Box 50,  
London SW6.
