

We take you to the stars each month and this issue sees The Osmonds at home on the range, David Essex working hard on the film set of his latest smash 'Stardust' —and once more FAN invites you to meet a new face. He's called Lane Caudell and you'll find him in glorious colour inside! There's lots and lots of information on Lane too, so introduce yourselves!

Andy and David Williams are back with us in a special photo feature where their lovely mum selects her favourite pictures of her favourite boys.

Now, Superfans, it's over to you for lots of pop-fun!

With very best wishes,

*Paul Raven*

Editor.

Darling DAVID CASSIDY,

So far I have collected 1,854 pictures of you from various different sources. (Naturally the best ones came from FAN!) I wonder if any other D.C. fan has so many pictures. What have I done with them all? Well, 879 cover my bedroom walls and the rest are kept in my many scrap-books!

Marilyn Barker, London.

Hi RICK SPRINGFIELD!

Why is it we don't read about you anymore? I've always thought you're fantastic and you've always been my favourite superstar. I wonder what you're doing these days?

Linda Graham, Hants.

*\*Hi there, Linda. Thanks for the letter and the kind words. At the moment I'm living by Malibu Beach, just outside Los Angeles, and I'm getting some new sounds together with a band of musicians. We'll be coming your way soon!* Rick.

Dear MICHAEL,

It's sunny days when you're around

I long to hear your sunshine sound

The voice that makes me go all weak

When you sing or even when you speak!

Michael, sunshine bringer supreme

You're my picture of an ideal dream.

Sheila Carney, Liverpool.

Dear ANDY & DAVID,

You've been absent from the pages of FAN for so long that I miss you both. You're such beautiful twins and so angelic looking that I think I love you both. If only I had a twin sister then we could perhaps get together! Anyway, hope to see you back in FAN very soon.

Carol Miller, Yorks.

*\*We're back! We're back! Just take a look inside and you'll find us on four pages thanks to FAN's very special photographer, Su!*

Andy and David

Dear FAN

I am the mum of a teenage girl who is mad on The Osmonds. Like my daughter I'm also crazy over this very talented group. Is it possible for you to print a picture of them with their parents. They must be very proud of them.

Mrs. F. Willis, Beds.
