

Cover Story

Before every David Cassidy fan in the country writes in, let me explain about this week's cover.

It's part of an experiment - a lead up to a super quiz we've got lined up for you in a couple of weeks.

You see, the world is divided into goodies (like you) and baddies (like our cover girl).

But sometimes we're not as goodie-goodie as we should be - there's a bit of the Devil in us all! And that's exactly what our cover and the quiz is all about.

And I'll tell you something else - there are a few surprises in store!

Lots of Love
The Ed/
