David before David today

I was incredibly shocked when I saw the pictures. How could he do that? I want my old David back with long hair! Manuela Böhm, Castrop-Rauxel

I already liked David before, but with the new hairstyle he's great. I can't imagine anyone finding fault with it. Ingrid Dzsida, Mannheim

I was jealous of the two girls who got David's curls. I think he's really cute now. Sabine Ükermann, Dortmund

I couldn't believe it. That can't be David, I thought when I saw the pictures. I think he looks really stupid. Susanne Meier, Wertingen

I'm outraged!!! How could David do this to his fans. He looked much cuter with long hair. Ute Stamer, Solingen

I think David looks stupid now. He looked so cute before. What a shame! Gaby Jakubowsky, Lübeck

David looks great. He doesn't look so girly with short hair. Claudia Kelm.Essen

The new David is great! That means he's still the same for me. If someone doesn't like him anymore because of his short hair - they must be great fans... Manuela Dlouhy, Karlsruhe

David has courage! The short hair suits him. I think he has a much more striking facial expression now. Wiebke Trunk, Heilbronn

David actually looks younger. When my mother saw the picture with the short hair, she said: "Well, he's barely 14 years old!" Gisela Teuchert, Schwabisch Gmünd

I think it's great that David took Frances Schoenberger to the hairdresser. That shows that he cares about the opinion of BRAVO readers. Irene Kraftschik, Heilbronn

I like the new David. If you don't like him, I can only say: after all, he sings with his voice and not with his hair! Eva Karlecik, Vienna

David also wants to do something new musically. So I think it's right that he changes his appearance too. Ines Philipp, Dortmund
