ut you are the

ones where you talk
about your girlfriends, I
can't help but get jealous
and I hope you'll forgive
me for that.

If I really believed that
you'd be happy with a

girl then I'd be glad for
you. I realise that I could
never be the one you'd
want to settle down with,
so I just want you to
find happiness with the
right person. Just make
sure that you make the

right decision, that's all.

I'd better go now
before I burst into tears.
Let me just say that
nothing is more precious
than love and if you ever
find it, don't let it fade
away. Take the time to
let it grow and you'll
never, ever feel lonely.
I'm not trying to tell you
what to do, goodness
knows, you know much
more about your type of
girl than I do but you
just never seem to have
the time to enter a
serious relationship with
anyone.

Take care of yourself
and keep on making
your records. I wouldn't
know what to do if I
couldn't hear your voice
every day. Some of my
discs are getting really
thin because I play them
so often, I'll have to get
new copies soon before
they wear out completely.
Now that would be a real
tragedy, your super soft
melodies gradually drift-
ing away completely.
