

Happy with his second wife

After his singing career, David had time to focus on women. In 1977, he married actress Kay Lenz, but they divorced after three years. Since the end of 1984, he has been married to American Meryl (34), who brought her daughter Caroline (9) into the marriage. The three currently live in London, but plan to move back to California soon.

DAVID CASSIDY

Keith Partridge, the teen idol

Millions of fans knew and loved David Cassidy as the sweet Keith Partridge in *The Partridge Family*. In the television series, David starred alongside his stepmother Shirley Jones (2nd from left) in a family band.
