## KIIS-FM CALLS FULTON SUIT "UNFOUNDED"

KIIS-FM, responding to a lawsuit filed earlier this month against the station and morning host **Rick Dees** by former Dees sidekick **Liz Fulton**, has released a statement saying that Fulton's allegations of sex and age discrimination are "unfounded."

"Like all radio and television stations, KIIS from time to time makes programming changes that are intended to enhance and improve its programming," read the statement. "Changes in on-air personnel are a routine part of the broadcasting business. The decision not to renew Liz Fulton's contract was based on routine programming considerations and in no way constituted sex discrimination. KIIS believes the claims in the lawsuit to be unfounded and is confident the courts will agree."

Fulton, Dees former sidekick, claims in the suit that Dees was unhappy with her image after she had children, and that Fulton "was too matronly and not young, sexy or beautiful enough to appear with him at promotions or remote locations." Fulton claims she was unfairly passed over for raises, and was fired last March without having ever been warned that her employment was in jeopardy. She also claims that in 1988 Dees appeared on a popular L.A. TV show with a bikini-clad sidekick who he passed off as Fulton.

Fulton has also filed a charge of discrimination

with the California Department of Fair Employment and Housing. No amount of money being sought is mentioned in the suit.

## ENIGMA Promotes Guarnieri To VP/A&R

**John Guarnieri** has been promoted to Vice President of A&R for ENIGMA Entertainment, it was announced this week by ENIGMA CEO **William Hein**.

Guarnieri has served as ENIGMA's Senior Director of A&R since 1989, and he is currently overseeing projects by Stryper, David Cassidy, XYZ, The Cramps, the Cavedogs and Beat Goes Bang, whom he signed.

Prior to joining ENIGMA, Guarnieri was West Coast Director of A&R for EMI Records, where he worked with Queensryche, The Red Hot Chilli Peppers, The Neville Brothers, Stray Cats and George Thorogood. Before that he was Director of A&R at I.R.S. Records, where he signed the Go-Go's and Wall of Voodoo and worked with R.E.M. and The English Beat.

"We want to sign artists that have a lot of influence over the way music is shaped in the '90s," said Guarnieri. "Music is going in many new directions, and I want ENIGMA to remain at the forefront."

## Akhtar Named Sr. Dir., Nat'l Publicity At EMI

**Kim Akhtar** has been named Senior Director, National Publicity at EMI Records, it was announced this week by EMI Senior Vice President of Marketing **Jim Cawley**.

In her new position, Akhtar will oversee all of the company's press activities. She will be based out of EMI's New York City headquarters.

Akhtar previously held the title of Director, Publicity, West Coast for EMI. Before joining the label she worked with independent publicity firm Levine Schneiders as Senior Account Executive, representing such acts as Milli Vanilli and Richard Marx.

"Over the course of Kim's career she has consistently shown a penchant for hard work, a love of music, and the refusal to take 'no' for an answer when seeking press for EMI artists," said Cawley. "Her persistence and enthusiasm have constantly produced strong results, and we look forward to much more of the same in her new, very crucial position here."

## EAST WEST AMERICA (from page 3)

EWA will be made soon.

"We're assembling a staff that is experienced and professional, and we'll be able to stand toe to toe with any label out there," said Faraci, adding that he is excited to be working side by side with Rhone. "I've respected Sylvia ever since she came to ATLANTIC," he said. "With the combination of talents between her and myself, I think it's a hell of a pairing. I'm really happy Doug Morris sees the talent in both of us that he feels is going to bring Atlantic to the next level."

"Doug Morris's decision to have two ATLANTIC executives head this new label venture is a perfect illustration of his unique management style," added Rhone. "Drawing on the company's internal human resources, he is giving Vince and myself a chance to take our careers and our visions to the next plateau. As a black woman, I look forward with tremendous anticipation to running a full-line label and to setting what I hope will develop into an industry-wide trend. Furthermore, I am honored to be sharing this leadership with Vince Faraci, one of the most astute people in the business."

## Andon To Work Exclusively For SBK Management

ARMA ANDON

**Arma Andon**, currently Senior Vice President of SBK Records Group and President of SBK Management, will be leaving the SBK Records Group post to concentrate his efforts full-time at SBK Management, it was announced this week.

Andon has been with the SBK/EMI companies since February of 1987, when he joined as President of SBK Management. Prior to that he held various marketing jobs at CBS Records, including Assistant to the President, Vice President/Artist Development and Vice President/Product Development.

Since joining SBK/EMI, Andon has worked under **Charles Koppelman**, SBK Records Group Chairman/CEO, and **Martin Bandier**, SBK Records Group President/COO and EMI Music Publishing Vice Chairman, helping to steer the companies to the success they enjoy today. Among the highlights of his career with the companies is his work as the head of marketing and sales on the Wilson Phillips, Technotronic, Teenage Mutant Ninja Turtles and Vanilla Ice album projects.

"Arma Andon has been a key player in the unprecedented success of SBK Records and its predecessors, SBK Music Publishing and SBK Record Productions," commented Koppelman. "I have every confidence in Arma continuing to build SBK into the pre-eminent management in the industry."

"Arma's ability in the artist development field has positioned SBK Management to successfully direct all the artists currently in its fold," said Bandier. "While his expertise will be missed at SBK Records,

## Newman To Join Scott At STAR93

**Michael Newman** will be leaving the MD post at MIX96.5-Houston to become Asst. PD/MD at STAR93-San Antonio (KSRR), it was announced this week.

Newman was offered the job at STAR93 by **Jefferson Scott**, who announced last week he was leaving MIX96.5, where he was Operations Manager, to take on the PD job at STAR93. Scott, who takes the helm October 29, replaced **Rick Upton**, who stepped down but will remain with the station as afternoon drive jock.

"I'm overly excited about going to STAR93," Newman told **HITMAKERS**. "Jeff and I work really well together, and we get along great. It's going to be real exciting because this is going to be our station."

STAR93 recently switched from a dance-leaning Top40 format (known as KITY) to an Adult Top40 format, just a few weeks after MIX96.5 switched to Adult Top40 from KNRJ. Scott has said he plans to make some changes in the presentation of STAR93, but will not commit to any direction until he gets into the market and determines the needs there.

Newman has been with the Houston station since it signed on as KNRJ in January of 1989. Prior to that he was MD at HOT97.7 in San Jose.

MICHAEL NEWMAN

the opportunity for SBK Management and its artists is limitless."

"The last few years with Charles and Marty have been an exhilarating experience to say the least, and since there has been no shortage of surprises, I feel the next few years will be even more eventful," added Andon. "Their tremendous support, as well as the support from EMI, has been incredible, and I look forward to a continuing growth period throughout 1991."

### CHRIS ISAAK

#### "Wicked Game" (REPRISE)

From the soundtrack of David Lynch's *"Wild at Heart"*, this seductive tune will only take a few listens, but it's gonna get you! Added this week at POWER99(#22), also at KRQ, and I95.

### UB40

#### "The Way You Do The..." (VIRGIN)

No more excuses not to play this record! Testing positive and familiar in callout with adults! New adds this week at WBLI, B96, PWR PIG, HOT97.7, and KISS95.7. Goes 1-1 at KIIS-FM!

### GLENN MEDEIROS

#### "Me - U = Blue" (MCA)

The third single is the charm for Glenn, and having the legendary Stylistics on board can't hurt in the familiarity dept! Added at KKRZ, KXXR, WZZG, and HOT94.9. Test it in middays and see!

### DON HENLEY

#### "New York Minute" (GEFFEN)

This incredible album has been out for almost a year, and we're still reaping the benefits! This fifth single had a great week, with adds at MIX107.5, Y100, STAR94, KZZP, and WKZL!

### DAN FOGELBERG

#### "Rhythm Of The Rain" (FULL MOON/EPIC)

This very pretty record is #3 at WJLK, and moves 25-22 at Q95. Good response on the secondary level as well! Listen to it....

### VAUGHAN BROTHERS

#### "Tick Tock" (EPIC)

No longer perceived as a Rock act, this song is reacting well with Adult Top40! Happening at MIX96.5 and B100, and moves 23-20 at KJ103, 30-26 at KISN, and debuts at #34 at WKZL!

### STEVIE WONDER

#### "Keep Our Love Alive" (MOTOWN)

Wonderful lyrics and great call letters this week: KROY, STAR93, and 102JAMZ. Takes a healthy 23-18 move at Q95-Detroit!

### SURFACE

#### "The First Time" (COLUMBIA)

These guys could sing a ballad about nuclear waste, and it would be a smash! A HUGE week, with adds at KIIS-FM, B100, WZOU, KKRZ, KWOD, WTIC-FM. The PERFECT Adult record!!!
