## EMMIS SELLS X100 TO BEDFORD FOR \$18.5 MIL

Emmis Broadcasting has sold X100 (KXXX) in San Francisco to Bedford Broadcasting for \$18.5 million, more than seven months after the pending sale of the station to Alliance Broadcasting was called off when Alliance missed a February 9 deadline for finalizing the deal.

Emmis had been trying to sell X100 since last September, when the company announced it was

placing X100, WLOL-Minneapolis and WJIB-Boston on the block in order to raise capital to finance the Seattle Mariners, which Emmis purchased in the summer of 1989. Emmis unexpectedly sold its KNRJ-Houston (now KHMX) to Nationwide Communications last December for \$30 million, but until now had not parted with any of the three stations the company had originally planned to sell.

Bedford's acquisition of X100 is the third the company has made in the last six months. The Lafayette, California-based company, which is part of the Bedford Group of Companies, bought KSSK-AM and KSSK-FM in Honolulu in May.

"Bedford is adding a Bay Area station to its growing portfolio of media ventures because the Bay Area is the fourth largest radio market in the U.S. and has strong growth potential," said Bedford Group of Companies President Peter S. Bedford. "KXXX was our first choice, as it has one of the strongest signals of all Bay Area stations, reaching a population of over six million."

Completion of the sale of X100 is pending FCC approval, which is expected to be no later than mid-January, 1991.

## Ex-CBS Chief May Make \$20 Mil Yetnikoff, Sony Negotiating Huge Separation Agreement

Former CBS Records President/CEO Walter Yetnikoff is reportedly negotiating a separation agreement with Sony Corp. that would pay Yetnikoff \$20 million and prohibit him from competing with the firm for five years.

A *Hollywood Reporter* article published this week reported that the deal was discussed at a Sony board meeting in New York on September 24, led by Sony President Norio Ohga. The article reported that some observers feel a \$20 million settlement would be enough to convince Yetnikoff to accept the non-competition clause, which would keep him out of the mainstream of the record business for years, while others feel he would not be agreeable to such a clause.

In August it was announced that Yetnikoff had signed a contract to remain as head of CBS for two years, after which he would step down and act as an adviser to Ohga. But on September 4, Sony announced Yetnikoff was stepping down immediately and taking a three-month sabbatical, after which he would return as a consultant. It is unknown whether a separation agreement would erase plans for Yetnikoff to act as consultant.

## New EPIC Logo "Symbolizes New Direction In The '90s"

EPIC Records has unveiled a brand new logo to replace the one that has been the label's signature since 1979, a move that EPIC President Dave Glew says "symbolizes the CBS Records label's new direction in the '90s."

"The new EPIC Records is not only competing but succeeding in nearly every area of popular music," said Glew, pointing out the label's new signings of bands such as Front 242, Iron Maiden, Metal Church and others. "When you put our current successes together with new signings of this quality, everyone - the industry, the artists and the public - can see that this is a company to be reckoned with."

Glew attributed EPIC's impressive recent achievements in a wide array of musical genres to the creation less than 18 months ago of special marketing and promotion departments covering rap, dance, metal and alternative music. Glew credited newly-appointed EPIC Associated Labels President

Richard Griffiths with bringing "years of experience and some vital creative relationships to this division."

Glew mentioned Living Colour, the Indigo Girls, Social Distortion, Suicidal Tendencies, Danger Danger and Cheap Trick as some of

the bands responsible for EPIC's strong showing in recent months. He also emphasized that EPIC's efforts in breaking new bands have not been made at the expense of established superstars like Gloria Estefan and Luther Vandross, both of whom have continued to contribute with successful releases of their own, or Michael Jackson, who Glew said is working on a new album for release next year.

"Between our superstars, the acts we've broken over the past few years, and our new signings, EPIC is really the best of all possible music worlds right now," said Glew.

And lastly, **BETTY BOO** *Doin' The Do* (REPRISE) transcends the obnoxious rap level due to the combination of singing and rapping - very infectious!"

**DAVID COOPER**, PD at WWFX, Bangor, ME sez, "**POISON** *Something To Believe In* (CAPITOL) is *Every Rose Has A Thorn* Part II! No one can deny it!"

**WILLIE STEVENS**, MD at KZBB, Ft. Smith, AR sez, "**IGGY POP** *Candy* (VIRGIN) is a great song, and with **Kate Pierson's** accompanying vocals **IGGY** should have his first pop hit in long time! Check out **BETTY BOO** *Doin' The Do* (REPRISE)! It's a catchy tune that makes you want to listen to it! Finally, all tragedy aside, *Tick Tock* (EPIC) by the **VAUGHAN BROS.** is a great timely record!"

**J.J. GERARD**, MD at KQCR, Cedar Rapids, IA sez, "Check out **TECHNOTRONIC** *Rockin' Over The Beat* (SBK)! It's not the same ole' Technotronic feel! Also **SEDUCTION** *Breakdown* (VENDETTA/A&M) is a female pop rap song! Check out the Crossover radio mix! It's pop rap - not urban rap! Finally **REO SPEEDWAGON** *Love Is A Rock* (EPIC) is gonna be a big adult appeal pop record! It's the record you've been waiting for!"

**RON NEWMAN**, MD at KOKZ, Waterloo, IA sez, "Check out **STEVIE B** *Because I Love You (The Postman's Song)* (LMR/RCA)! It's perfect for 18-34 females! Also, **POISON** *Something To Believe In* (CAPITOL) is a massive record! And **INFORMATION SOCIETY** *Think* (TOMMY BOY/REPRISE) is a great dance Crossover record! Make sure you listen to it!"

**KEVIN CHASE**, MD at KMOK, Lewiston, ID sez, "**BETTE MIDLER** *From A Distance* (ATLANTIC) is an out-of-the-box-smash that should be as big as, if not bigger than, *Wind Beneath My Wings*! **STEVIE B** *Because I Love You (The Postman's Song)* (LMR/RCA) sounds like a top ten record! This ballad will put him on the map for sure! And the more you hear **REO SPEEDWAGON** *Love Is A Rock* (EPIC) the better it sounds!"

**DEANO**, MD at SLY96, San Luis Obispo, CA sez, "Check out **BETTE MIDLER** *From A Distance* (ATLANTIC) - Can you say number one? Ho, Ho, Ho! Also, **INFORMATION SOCIETY** *Think* (TOMMY BOY/REPRISE) is a nice pop record with a mass appeal groove! God, I love **HALL & OATES** *So Close* (ARISTA) - this is Top40!"

**JAY MURPHY**, PD/MD at KQHT, Grand Forks, ND sez, "Check out **ZZ TOP** *Concrete And Steel* (WARNER BROS.)! It's some of the better signature **ZZ TOP** in years, and sounds like the **ELIMINATOR** album! Also, check out the **THE OUTFIELD** *For You* (MCA)! It's good to have them back!"

**EFREN SIFUENTES**, MD at KDON, Salinas, CA sez, "New York, New York...you got me dancin', dancin'! It's my cram-jam article with some bacon-bits of knowledge: **GEORGE MICHAEL**'s doggin' the wax with the hot new mixes of *Freedom '90* (COLUMBIA)! Civiles & Cole are responsible for the studio time on this project, as well as Mr. Michael, himself! Word! Check out **SABLE** *So Special* (ATLANTIC). This cut caused a huge retail buzz in New York due to a few bootleg leaks, but ATLANTIC's got you covered with a legal pressing! Great stuff!! Check out the new **TKA** *Crash* (TOMMY BOY/WARNER BROS.) featuring Michelle Visage of Seduction. This cut is produced by Joe Bogaert (TECHNOTRONIC)! Finger-lickin' good remixes by Justin Strauss. It's time to crash -- have some fun with this track! Congratulations to PWL AMERICA Records for their cool first record! Get set to spin *Keep Groovin'* by **OMAR SANTANA**. This whiz-kid's freshman effort on PWL should stir up a nice club buzz! Go Omar, amigo! While we wait for the EPIC Records release of the new Brenda K Starr stuff, you might wanna start warming up the new **GEORGE LAMOND & BRENDA K STARR** duet *No Matter What* (COLUMBIA)! Groovy slow-jam. THE CLUBBER'S TIP: **2 IN A ROOM** *Wiggle It* (CHARISMA) - huge! **LL COOL J** *Boomin' System* (DEF JAM/COLUMBIA) - funky, funky. Let's do "The Boom." **OFFSHORE** *I Can't Take The Power* (CBS Import) - awesome stuff from overseas! Read on..."
