

*Shocking untold
story behind
TV movie*

Teen idol David Cassidy's nightmare of drugs, sex and money

and his sugar-coated voice soon landed him on every girl's must-have list.

"I didn't know who I

was," recalls David, who is now 49. "For a long time, I thought you could make things go the way you want-

ed. And it's true, for a while everything I touched happened. I did things I now think are degrading

toward women that I'm ashamed of. "Once I took them into my house and a hotel room, I found I con-
