'I had a huge evening with John Lennon on New Year's Eve, 1974'

Above: Teen idol David Cassidy caused the kind of hysteria wherever he went that most of today's stars can only dream about. Top: At the height of his fame. Top left and far left: It was his role as Keith in *The Partridge Family* that made him a star. The series was a show about a travelling band of pop siblings and David was the acknowledged music talent. Left: David as he is now. He's not been resting on his laurels - he's been touring, and starring on Broadway
