

Q — I have seen an actor named David Cassidy on a couple of TV shows and I think he is very good. He is a teenager and I was wondering if he is going to be on anything in the near future.

— C. C., Bowling Green, O.

A — David Cassidy, who is actor Jack Cassidy's son in real life, will be a regular in the new ABC series "The Partridge Family," which stars Shirley Jones. Incidentally, Miss Jones is David's stepmother in real life.
