

SUCCESS? YES, BUT PROBLEMS

HOLLYWOOD — Shirley Jones is pleased with the success of her stepson, David Cassidy, on their show, *The Partridge Family*, except for one reason

Shirley and Jack Cassidy have three young sons—6, 9 and 12—and all three have been talking about careers in TV.

“I’ve been trying to dissuade them,” Shirley says. “But now they say, ‘Well, look at David’, and I have no answer. As far as they’re concerned, it’s the cherry on the **cake**.”
