**Q:** What is the rundown on David Cassidy's recording career — that is, how many records has he sold? Also, when will he be appearing in our area? — Jean Stephenson, Macon, Ga.

**A:** Cassidy has sold more than 16½ million albums and singles in the past 16 months. You can catch dashing Dave in Macon on March 19. (East Coast fans — he'll be at Madison Square Garden in New York on March 11.)
